50 AMP CONNECTOR COVER

HARDSHELL POWER CONNECTOR MOUNT

Trailer Vision 50A Anderson connector covers are the leading mounting system for securing Anderson-style connectors. Featuring a patented hard shell case and retractable locking tab cover system, this innovative design ensures a secure connection when two Anderson plugs are engaged. The durable UV-stabilised outer casing protects Anderson plugs from weather, dust, debris – ensuring connection reliability and longevity.

APPLICATIONS

- Towbars
- DC Panel Mounting
- Vehicle Power Connections
